Evergreen Special Occasions & Events

Planning a Wedding?

Wedding memories are made of this.....
a happy Bride & Groom;
all those who love you gathered;
scrumptious food;
and a beautiful setting!

With seating for up to 600 people for concerts and 400 people (average) for weddings and social events, the room can host all your function needs.

This room has a rotunda which is a pleasant entry way into the auditorium. Serving area plus the kitchen facilities allows us to provide great meals to all events. We also have portable bars and equipment which allow for many varieties of setups and usage of the auditorium space.

Not only for formal functions, the auditorium, rotunda, and serving areas can be used for meetings, banquets, workshops, reunions, auctions, etc.

One of the picturesque rooms in our facility is the Jackpine Room. This maximum 70 person room overlooks the #1 hole of our golf course and is available for business meetings and social events.

The Proshop, in the off season, will accommodate 40 people and is also available for bookings from October to April each year.

Our Wedding Planner & Catering Professionals
will assist you in planning your special day!

Conference planning services are available through the **Nipawin Economic Development & Tourism Department.**

Evergreen Golf

At Evergreen you know you're in for a challenging round the moment you step foot on its 1st tee. Just shy of 600 yds, this very long and narrow hole will test your golfing prowess immediately. You must try to keep your drives both long and straight to avoid the beautiful northern forest that graces both sides of the 1st fairway. If you do end up in the trees don't worry, as they are more forgiving than they appear.

However, you shouldn't make a habit of spraying your shots at Evergreen as the forest is in play throughout the course. In addition, silica sand hazards accent just about every hole, so you will want to play your shots carefully. A word of warning about the greens - while they do contain some gentle undulations, the rule of thumb is to allow for less break than appearances would indicate.

Two of the more scenic holes at Evergreen are the 15th and 16th. These secluded holes are completely engulfed by majestic spruce and pine, making the experience of playing them quiet and peaceful.

Our beautiful golf course can be found online at **www.evergreengolf.ca**

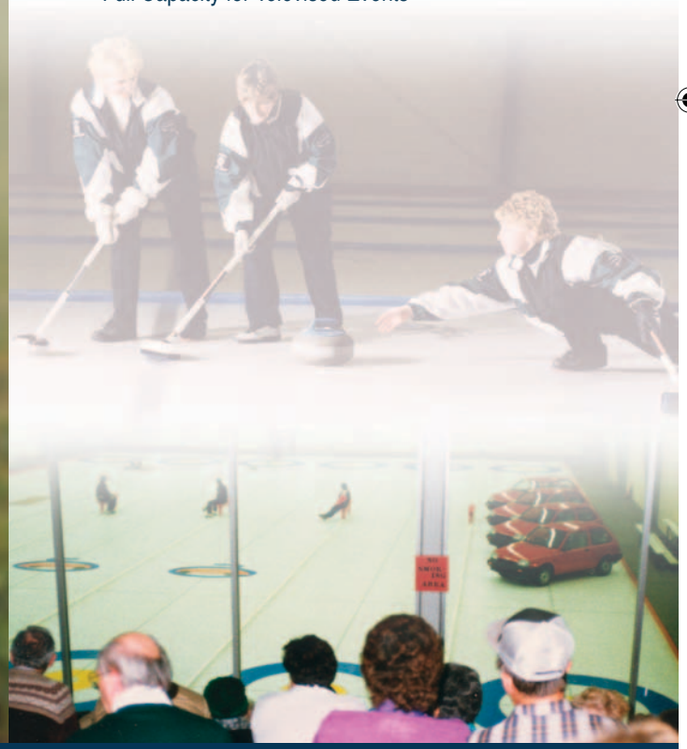
Evergreen Curling

Nipawin's world class curling ice, the Evergreen Centre has six sheets and one of the best viewing areas in Saskatchewan. The facility is host to many prestigious curling events, including the Nipawin Evergreen Curling Classic (formally the renown Autospiel). World and Olympic Champions, such as Randy Ferby and Sandra Schmirler, have thrilled Saskatchewan curling fans from this venue and the Evergreen is no stranger to many European teams.

Little Rockers to Seniors, regular daily and nightly curling leagues enjoy the facility from November to March. Membership and fees are very reasonable for this great recreational activity.

Featuring:

- Draw room
- Men's & Women's Locker Rooms with Showers
- Jet Ice and Certified Ice Technician
- Full Capacity for Televised Events



The Evergreen is also a favorite for corporate curling events, hosting teams from across western Canada.
